Stewart/Stand wallets are designed to have a thin profile. For optimal maintenance of your wallet, please do not exceed one card per credit slot or pack beyond capacity. This wallet will not stretch like leather. When overstressed, it can possibly distress.

As a metal wallet, it will take on markings or scratches if it comes into contact with other metal, hard and/or sharp objects. This can be minimized by avoiding such objects or can possibly be "rubbed" out using one's fingers moving in a circular motion over the scratch. However, this wallet is meant to be dynamic and will likely take on a patina through use.

Any Stewart/Stand wallet stolen during a criminal act can be replaced. The victim only need pay for the cost of shipping and must provide both proof of purchase in the form of a receipt as well as a copy of a police report with specific mention of a stainless steel wallet. Please send (1) one copy to the address below or fax Stewart/Stand at +1 718/ 504 4292.
